

Booking of USF Accommodations

USF has agreed to accommodate 50 participants in their conference housing. Booking will be reserved on a first come, first served basis. Please submit your bookings as soon as possible. Please indicate whether you will check out on Sunday or Monday.

There are three different units available. The one-bedroom unit features a bedroom and a private bathroom. The two-bedroom unit includes two bedrooms in which guests will share a bathroom inside the unit. Lastly, the three-bedroom unit includes a master bedroom with an exclusive bathroom along with two bedrooms where these guests are designated to share a second bathroom inside the unit.

All bedrooms only include twin-size beds. Single occupancy features a single bed in a bedroom, while double occupancy will include two beds in a bedroom.

Although USF could not confirm the number of each type of unit to us before the end of May, the sooner we know the requests for the 50 people, the better the chances of receiving those requests. We encourage you to book as soon as possible so we can solidify the arrangements. Of course, as soon as we have further details, we shall communicate to those who have already booked to stay in USF's conference housing.

The front desk is staffed with someone 24 hours a day, 7 days a week. It is approximately a 10-minute walk from the conference housing to the conference locations at USF. Please note that USF is a hilly environment as well as the entire city of San Francisco.

Should you have questions, please send us an email. Thank you.
